# Cushing's Column

Dear Friends,

I came across a poem this last week, which chimed with what I'd been reading in Exodus and I Corinthians. It is titled "Not everything is cancelled":

Not everything is cancelled...

Sun is not cancelled

Spring is not cancelled

Relationships are not cancelled

Love is not cancelled

Reading is not cancelled

Devotion is not cancelled

Music is not cancelled

Imagination is not cancelled

Kindness is not cancelled

Conversations are not cancelled

Hope is not cancelled

And God's love for HIS people is never cancelled.

The seeming longevity of Covid really does play with our minds doesn't it? But there are some things, like those mentioned above, that we simply cannot forget.

At Church, our longing is that we continue to act as a megaphone in our wider community of God's never-failing love. Yes, we are constantly having to reshape services to keep within restrictions, but we are trying our best to be forward planning.

Throughout November we'll have our All Souls Memorial Service on Sunday 1<sup>st</sup> November at 4pm in Alfold, providing a chance to light a candle and have a loved one's name read out in a special act of remembrance and thanks to God for their life. Then we'll have two shortened outdoor services of remembrance beginning at 10.45am on Remembrance Sunday in both Alfold and Loxwood Churchyards. We will not let Covid restrict us from remembering heroic self-sacrifice! Then at the end of November on Sunday 29<sup>th</sup> 'Advent Sunday' we'll have Christingle Services at both our regular morning services. Please do come along, even if you've never been before, God is not cancelled!

That also means that Christmas is not cancelled. We are still in the process of planning, and it may well be that certain services will look somewhat different due to size restrictions, but we hope that during this Christmas, even more than usual – we, the Church, will be a blessing to you.

With love

## Points Off Pat

### A Strange Month

November always seems to me to be a month unsure of itself. The lady in waiting not the Queen. The donkey not the race horse

It has some strong points—Armistice Day, Bonfire night, and of course my birthday!

Mostly though it seems to hold its breath, awaiting the coming of the Lord next month, at Christmas

## Alfold Parish Council

Alfold Parish Councillors convened via Zoom on 8<sup>th</sup> October to discuss planning matters at their bi-monthly planning meeting. Progress at Dunsfold Park was discussed and Councillors were pleased to note that Waverley Borough Council had, after discussions with the Parish Council and our Borough Councillor, included us in the formal Governance structure and regular meetings where we can liaise with both Waverley and Rutland on planning and design matters.

Planning matters were discussed, including a recent application for a further 7 houses at Chapel Fields, which Councillors were minded to object to for a number of reasons, and where Councillors also noted the pre-application nature of the Loxwood Claypits application with Chichester District Council.

The next parish meeting is scheduled for 10<sup>th</sup> November 2020, where an update on the cemetery extension will be given by the Clerk, in addition to budgets being looked at in advance of the precept application for 2021/22, and the Loxley Oil Well application, amongst other things.

If you would like to attend the meeting, please can you email the Clerk at [clerk@alfoldparishcouncil.co.uk](mailto:clerk@alfoldparishcouncil.co.uk) who will send you the log in details and agenda.

## Loxwood Luncheon Club

We hope you are all keeping well and safe in these challenging times. Unfortunately for the foreseeable future, we cannot see how we can restart the Lunch Club. Hopefully North Hall will be in a position to reopen following very strict Covid 19 guidelines in the near future, however, due to the nature of the number of people attending and their slightly senior age group, we do not think we could even consider starting up yet.

We will review the situation on a regular basis as we do realise that Lunch Club is an important part of the village social life. As soon as we think it will be safe to run our lunches again we will be in contact with everyone. Best Wishes to all of you and hope to see you all soon.

# Wey and Arun Canal Trust News

Wey & Arun Canal Trust adds a fully accessible trip boat to its fleet

The Wey & Arun Canal Trust has added a Mk III Wheelyboat to its fleet, a boat specially built to take disabled passengers and carers on canal cruises.

The purchase of the secondhand boat has been made thanks to a generous donation from supporter Peter Grove in memory of his great grandfather Walter Grove, who was master carpenter on the Wey Navigation from 1885-1930.

Flexible seating means that up to five wheelchairs can be accommodated in comfort, making the pleasure of cruising the canal accessible to a greater number of adults and children.

The boat was supplied and refurbished by The Wheelyboat Trust, a charity set up in 1984 to remove barriers to water-based activities and allow mobility, learning and sensory impaired people of all ages independent access to activities such as powerboating, nature watching, pleasure boating and angling.

The Wheelyboat Trust director Andy Beadsley said the benefits of getting disabled people out on the waterways were huge. "There are lots of health and wellbeing advantages to being out in the open air and on the water. We've worked with many disability groups, SEN schools and charities, and we're delighted to be able to work with the Wey & Arun Canal Trust on this project now too."

The aluminium Mark III craft was originally built in 2007 and has been refurbished to give it many more years of service. An outboard motor, seating and a bimini canopy (generously provided by the Ernest Kleinwort Charitable Trust) will be fitted over the winter months and it is hoped the boat will be in service next spring.

Wey & Arun Canal Trust director John Reynolds added: "We're sure trips onboard the Wheelyboat will bring immense pleasure to many people and we look forward to being able to offer cruises along the Wey & Arun Canal on the Wheelyboat in 2021."

# Cranleigh Lions Club - Project Wenceslas

Will you be nice and cosy in your home this winter?

How would you feel about helping those that won't be?

Please consider helping Cranleigh Lions to help others by taking part in Project Wenceslas and donating some or, perhaps, all of your Winter Fuel Payment to us.

The Winter Fuel Payment is paid to those born on or before 5<sup>th</sup> October 1954 and those living in the UK for at least one day during the week of 21<sup>st</sup> -27<sup>th</sup> September 2020 – this is called the “Qualifying Week”.

This payment is not means tested, it is tax free and will not affect other benefits.

The payment is £200, or £100 each for a couple, and increased to £300 for those born on or before 20<sup>th</sup> September 1940.

If you are eligible you will usually get the payment automatically. Most payments are made in November and December. You may need to claim it if you have not had it before or if certain conditions apply – details at [www.gov.uk](http://www.gov.uk). You have until 31<sup>st</sup> March 2021 to claim for winter 2020-2021.

Cranleigh Lions are asking that if you do not need this money you donate your Winter Fuel Payment, or some of it, to the Cranleigh Lions' Wenceslas Project.

Working in conjunction with the Citizens Advice Bureau, Barnados (taking over from SureStart), local churches and other organisations funds, will be used to help local people who have problems with their fuel bills. Some even have to choose between heating or eating.

Money is not given to individuals – we make payment direct to energy companies or we top pre-payment cards up with cash.

If you would like to help those who are unable to keep warm this winter please consider donating your Winter Fuel Payment or some of it to Cranleigh Lions.

If you are a UK tax payer we can also claim Gift Aid on your donation which means we can help more people. Bear in mind that Gift Aided donations can be included on your tax return.

*Thank you*

## **THANK YOU, THANK YOU SO VERY MUCH.....6000 more bottle tops!**

Thanks go to all the kind people who have been collecting and dropping off milk bottle tops into the bin at 5, Farm Close. We have been able to send in excess of 6000 more tops to the collection centre.

Due to COVID, charity fundraising just is not happening, so anything that we can do to support Chestnut Trees is really important.

Please keep drinking milk and collecting the tops!

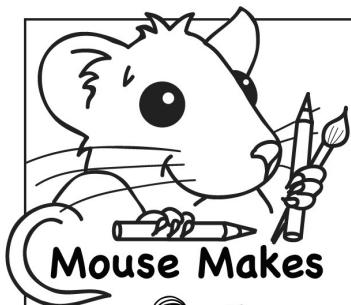

We can only collect milk bottle tops with the symbol

They must not have anything stuck to them and should be washed clean. If other kinds of tops are added to our milk bottle tops then the company will reject the whole lot and no money will go to make those sick children happy.

If you have any questions then please do not hesitate to contact me.

## REMEMBERING

How do you remember things?

In bible times God's people would remember what God had done for them by building monuments made of stones and by holding festivals and celebrations to give thanks to God.

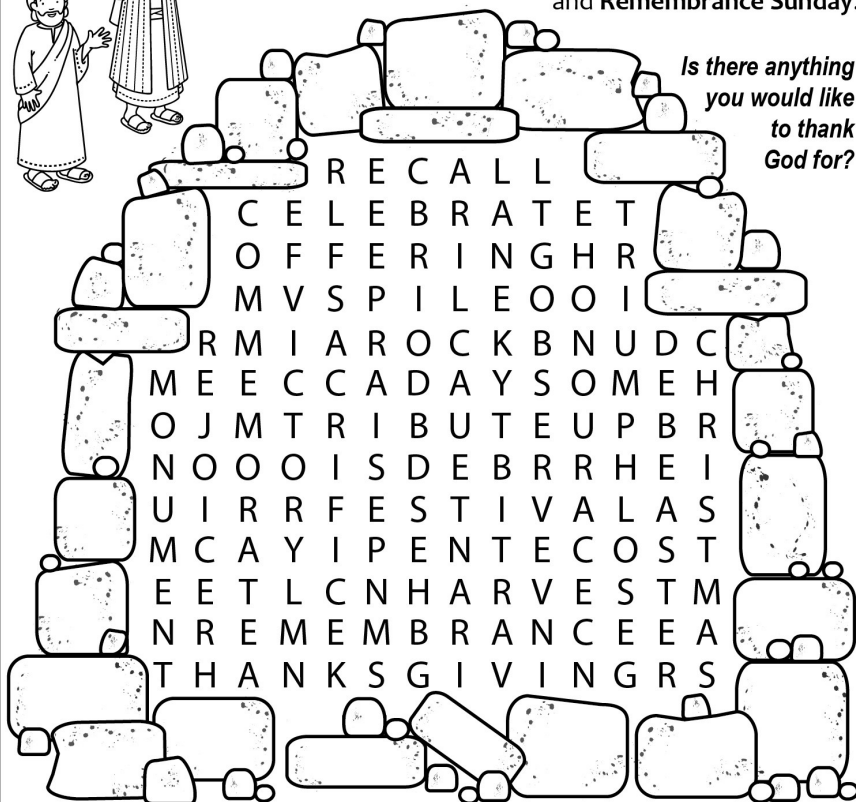

READ Joshua 4:1-9 and Exodus 12:1-14

Today we too build monuments to remember and hold services of thanksgiving like **Harvest** and **Remembrance Sunday**.

you would like

# On the Ferocity of the Church's Bridge Drive

*The Rev Dr Gary Bowness his tongue-in-cheek letters from '*

*Uncle Eustace'...*

The Rectory

St James the Least of All

My dear Nephew Darren

Your suggestion that we should hold a sponsored hymn-singing bicycle ride through the village as a way of raising money was well-meant, but I am not wholly convinced it would suit our clientele here at St James the Least of All.

You may have musical bike rides, but we have Bridge drives, although socially distanced at the moment, of course. But even at two metres apart, our Bridge games are generally as amiable and peaceful as bear baiting. Half of those attending will see the afternoon as an opportunity to catch up on local gossip and to exchange knitting patterns, the game of cards being a minor hindrance to these other activities. The other half arrive primed for a battle to the death, reluctantly conceding that eye-gouging is not allowed. They will demand total silence – which is wholly ignored by those at the tables discovering what Mrs Trumpington confided to Lady Driver halfway through 'Onward Christian Soldiers' at last Sunday's Mattins. The congregation is eternally grateful to Mrs Mitchell, who as a former mill worker is able to lip read.

Refreshments have been hit hard by Covid-19 of course, and the fact that everyone has to bring their own sandwich and drink has rather spoilt the fun. Usually half our players regard lunchtime as an opportunity to put jam on the cards, spill tea on the score cards and make sure that the other tables get the egg and cress sandwiches while they corner the boiled ham; the others usually see it as an unwelcome interruption to the serious business of slaughtering their opponents. It is so sad that Covid-19 has halted this merry comradery.

As for drawing the raffle, it is the adult equivalent of ringing the school bell at going-home time. Half the players will immediately dash off to relay newly mined seams of gossip throughout the village, leaving the others holding reproachful post-mortems with their partners over their bidding mistakes.

Reproaches are never too violent, however, since the chances are that they will all be meeting again the following afternoon round a socially distanced card table at another location, for yet another re-enactment of the slaughter at Agincourt. The only difference will be that the French and English were not entertained with tea and sandwiches at half time.

Your loving uncle,

*Eustace*
