# Cushing's Column

Dear Friends,

You've all heard of the C of E – the Church of England. Well, before I came to truly believe in Jesus, I used to joke that I was C *and* E – a Christmas and Easter churchgoer!

Well, if I'm honest, I don't think there are too many C and E churchgoers anymore. I think there are a lot of C churchgoers – because our society still likes to embrace the good old Christmas Carols by Candlelight; and dress up as angels, shepherds and sheep in Crib Nativities. Sadly, however the E has been forgotten. The tradition of Easter eggs and the Easter bunny doesn't seem to be as connected to the Church as carols and nativity plays are, and so our Easter services tend to be a lot less busy than our Christmas services.

I find this sad, because one could say that at Easter we engage with a depth of God's love we do not see anywhere near as vividly at Christmas. At Easter we hear of a God who loves us so much that He willingly chose to lay down His life for His friends. Would you count yourself a friend of God?

That's the message of Easter – there is a way each of us can be friends with God, it is the most amazing news, and the door is opened at the cross of Christ at Calvary.

One of the most comforting sentiments I often receive from a friend is when after pouring my heart out they say to me, “Greg, *can I pray for you?*” Well, did you know that Jesus, who'll be your best friend ever is praying for you right now?

Let me close with the words of a hymn I came across in our Lent book ‘An Ocean of Grace’ recently from Anne Steele back in the 18<sup>th</sup> Century:

*He lives, the great Redeemer lives.  
What joy this blest assurance gives!  
And now before his Father God,  
Pleads the full merit of his blood.*

*(continued on page 3)*

## Parish News Subscription - Thank You

Thank you so much to those people who have kindly donated their annual subscription.

The Parish News enables us to be aware of what is taking place within our churches and chapels as well as news of what is happening elsewhere in our villages.

At this time of year, we would normally be calling on our subscribers to ask for a subscription of £5 towards the cost of printing and producing the magazine. At present we are printing many fewer copies of the magazine for delivery, however, there are fixed costs that carry on despite COVID.

Looking forwards, the coming months will see increasing coverage of vaccinations, restrictions reducing and a managed return to a degree of normality. As part of these changes we are hoping to restart delivering magazines. With this in mind, this year we are asking you to consider donating your annual subscription for whichever format you receive.

To enable a donation of the annual subscription please contact Hazel Gravenstede (752080) or Hugh Beadle (752950)

## Always Through The Church. Always Hope

You may not be aware that Alfold and Loxwood church has a longstanding policy of tithing (giving 10%) of its unrestricted income each year to various mission agencies and charities. In the first of an occasional series, this article focuses on the work of one of those recipients, Christians Against Poverty (CAP).

Having previously struggled with debt himself, John Kirkby started CAP in Bradford in 1996 with a donation of £10 and great faith. He believed God was calling him to sacrifice his career in finance and use his knowledge of the industry to help the poor.

He met people crippled by debt: parents who couldn't feed their children, families facing eviction and desperate people living in fear and without hope. He used his expertise to negotiate with creditors, set up budgeting systems and offer a lifeline to those trapped in debt.

Since then, CAP has spread throughout the country and now internationally. It specialises in free debt counselling for people in financial difficulty and looks at all options for them including bankruptcy. It works through a network of debt counsellors from local churches who reach out to those in their communities who are struggling with mounting bills. Social workers, family support workers, and mental health charities also refer clients to CAP.

Clients give CAP authority to negotiate with their creditors and it advises them on how they can organise their finances so as to make them debt-free. This includes devising a sustainable personal budget, prioritising basic living needs and offering creditors fair, affordable pro-rata payments as far as possible.

Many of the clients CAP help are classed as 'vulnerable' – they were already facing significant challenges before the weight of debt landed on them. It is very aware of the need to handle them with extra care.

CAP is careful never to apply pressure or imply that being or becoming a Christian is a condition of getting help. Typically, just 4% of clients do become Christians. However, many who are helped to go debt free (typically 2,500 each year) say their lives are transformed.

CAP also provides Job Clubs for those seeking employment, Life Skills groups to help people develop practical skills to survive on a low income and develop their confidence and Fresh Start Courses for people looking to overcome addictions. The CAP Money Course, which teaches basic budgeting skills, is available in a number of formats, for children, young people, students and adults.

Money-saving expert and TV presenter Martin Lewis says “CAP are unsurpassed when it comes to the debt help they give people across the country. There’s nothing better to start you on the path to having more money in your pocket”.

**As CAP’s strapline puts it,  
‘Always through the church, always hope’.**

For more information about CAP, go to [www.capuk.org](http://www.capuk.org). To make an appointment to speak to a debt counsellor telephone 0800 328 0006.

## Look on the Bright Side .....and Share it with Others

Where has the past year gone?

Perhaps the feeling is that we would rather forget about what has passed! However, talking to people around the village, it has become obvious that there have been some wonderful and often unexpected positive instances during this pandemic, which have proved to be truly uplifting.

We would love to celebrate and share these positive moments in the Parish News.

If you have something that you would be prepared to share, in no more than three sentences, then please email it to [alflox.parish.off@btinternet.com](mailto:alflox.parish.off@btinternet.com) or drop a written copy at 5, Farm Close, Loxwood, along with your milk bottle tops if you have them! Please include your name and a contact number and say whether or not you would like your name included in the magazine.

## Loxwood Parish Council

**NORTH HALL PLAYGROUND RESURFACE** In order that the North Hall Playground can become an all-weather facility for younger children the Parish Council has paid for the laying of a wet pour surface which by the time you read this article will be in situ. The money for this project is part of the Community Investment Levy (CIL) that the Parish received as a result of the development at Nursery Green. Other projects that have been part funded by these monies include the North Hall Car Park and the new outdoor classroom at the Local School. The Parish receive 25% of any CIL monies paid by residential site developers and this is an elevated percentage as the Parish has a Neighbourhood Plan.

**REVISION TO THE NEIGHBOURHOOD PLAN** The consultation on the Draft revised Loxwood Neighbourhood Plan took place last autumn. Since then, your comments were addressed to form the Submission Neighbourhood Plan and consequently the Revised Neighbourhood Plan is now with Chichester District Council, who will in due course carry out a further Consultation on the Plan this being the Regulation 16 Consultation. The Parish Council are hoping this would have been carried out by now in order for the Plan to be progressed to Examination and subject to the Examiner's remarks Referendum as soon as possible. However, Chichester District Council is experiencing delays in receiving comments from Statutory Bodies which are required before the Plan can proceed to the next stage. The Parish Council will continue to press for action but we are informed this delay is a County wide delay.

**COUNCILLOR VACANCIES.** The Parish Council has vacancies for three Councillors. If you would like to get involved to work for the

Community and have time to prepare for and attend monthly meetings please contact any of the Councillors or the Clerk. Contact details are available on the website [www.loxwood-pc.gov.uk](http://www.loxwood-pc.gov.uk) and the clerk can be contacted on 01403 791323

**[HTTPS://LOVE.WESTSUSSEX.GOV.UK](https://love.westsussex.gov.uk)** Please use this website to report problems around the village from overgrown pathways to highways pothole issues. It is an easy to use system and the more people that report a problem the higher priority it will become.

## Wey & Arun Canal Trust News

### **Talks group goes online to entertain during lockdown**

While most of the Wey & Arun Canal Trust volunteers have been on a break during lockdown, one group is seeing demand for their services increase. The talks team have been giving online presentations throughout the pandemic as groups and clubs have turned to virtual meetings instead of face to face gatherings.

Zoom technology means they can broadcast their presentations across the UK and the team have been entertaining clubs and groups as well as other Canal Trusts as a result.

Talks include the history of the canal and its restoration, as well as the vision for its future, and can include a Q&A session.

Anyone wanting to request a speaker for a club or group can go to the Trust's website, [www.weyandarun.co.uk](http://www.weyandarun.co.uk).

# **LOXWOOD VILLAGE FETE AND**

## **FUN DOG SHOW**

### **SATURDAY AUGUST 21<sup>ST</sup> 2021**

The Loxwood Village Fete Committee are determined that we hold a Village Fete this year to raise funds for local good causes following the cancellation of last year's Fete. To give us every possible chance of holding this event, we have decided to postpone from our normal date in June to Saturday August 21<sup>st</sup>.

Do please note this date in your diaries.

The Fete will take on the usual format which is aimed primarily at families. We will include such events as Fun Dog Show, Children's Races, Punch and Judy, Magic Show, Bouncy Castle, Slinfold Concert Band, The North Singers, Face Painting as well as our normal excellent selection of stalls, Tombola, Grand Draw, Licensed Bar, BBQ, Teas and many other attractions.

To ensure that our Fete is a success, we are looking to obtain support from many people in the village, especially in the areas listed below:-

**Help to run a stall on the day for a couple of hours.**

**Advertise in the Fete Programme**

**Prizes for the Grand Draw and Tombola**

**Cakes for the Cake Stall and Café**

**Help with setting up the Fete**

**We are especially looking for qualified First Aiders who can be in attendance for an hour or so on the day.**

The Village Fete Committee are hoping to make this year's event an even better success in every area to make up for our loss last year. We are optimistic that this event will go ahead and that the whole of the village get behind us to make this a resounding success.

If you can help in any of the above areas, could you please contact Graham Moore on 751722 or Peter Winney on 752377.

## Loxwood Luncheon Club

We hope you are all keeping well and safe in these challenging times. Unfortunately for the foreseeable future, we cannot see how we can restart the Lunch Club. Hopefully North Hall will be in a position to reopen following very strict Covid 19 guidelines in the near future, however, due to the nature of the number of people attending and their slightly senior age group, we do not think we could even consider starting up yet.

We will review the situation on a regular basis as we do realise that Lunch Club is an important part of the village social life. As soon as we think it will be safe to run our lunches again we will be in contact with everyone. Best Wishes to all of you and hope to see you all soon.

## Alfold Luncheon Club

Due to the current situation, there will not be any Alfold Lunch Club until further notice, but we will let you know as soon as we plan to restart.

Stay safe all.

## On the Best Way to Run a Church Council Meeting

*The Rev Dr Gary Bowness his tongue-in-cheek letters from ‘*

*Uncle Eustace’...*

The Rectory

St James the Least of All

My dear Nephew Darren

Thank you for inviting me to speak at your church council yesterday. I began to suspect that my theme of why Eusebius’s dislike of Sabellianism led to his condemnation at the Council of Antioch in 324 was a little misjudged, when the only question I was asked after my lecture was if

Eusebius was on Facebook.

I never realised how much technology is needed these days just to discuss church matters. It seemed that everyone had brought their laptop, so they could refer to all the diocesan briefing documents and reports that you mentioned. I've been in the diocese 40 years and have never heard of most of those papers. But then I find it too easy to delete the diocesan mailings, unread, with a click of my mouse.

Our church meetings are far more traditional. Since the church floor seems to have been carved out of permafrost, our meetings circulate round members' houses. This introduces a nice element of competition, as each host tries to outdo the previous one in the baking of cakes. Meetings at Colonel Drinkwater's – a more inappropriate name one cannot imagine – are the shortest, since we are always promised wine once the meeting is over. It is remarkable how unanimity is achieved on every subject within minutes, and nothing appears under "any other business".

Mrs Eddington never troubles us with minutes, largely because she can rarely read the notes she takes. She just shares with us whatever she *can* decipher at our next meeting. Last month, she accidentally brought her shopping list instead, and so read that out. There followed a lively discussion on whether carrots from our local shop were better than those at the supermarket. When it was found out she intended to use them in a venison casserole, endless recipes were keenly debated.

We always leave our church meetings well fed, up to date with village gossip, and totally untroubled by any church council business. And the lack of any minutes ensures that I can then make all the decisions myself, between meetings. I think you will find our system has much to be commended.

Your loving uncle,

*Eustace*

# Bible Bite

## A short story from the Bible

It can be read in the Bible in  
Matthew 26:20-25, 31-35, Mark 14:17-21, 27-31  
Luke 22:22, 31-34, John 13:21-30, 36-38

The Jewish leaders wanted to kill Jesus.  
One of Jesus' disciples, Judas, had  
accepted money from them to betray him.

As Jesus and his disciples ate the  
Passover meal, Jesus said

John was sitting  
next to Jesus, so  
Peter said

So John asked Jesus

It is the person I give  
this piece of bread to.

Jesus dipped a piece  
of bread in sauce, and  
gave it to Judas.

What you are about to do  
you must do quickly.

Why has Judas gone out?

They continued  
the Passover meal

Jesus then told the rest of the  
disciples

Peter said

Before tomorrow morning  
you will have denied you  
even know me 3 times.

Even if I have to die, I  
will never disown you!
