Cushing's Column

Dear Friends,

A year ago, when confronted with Covid financial worries, plus the financial hits of taking on a new curate and a potential building reordering – I challenged the church family of Alfold & Loxwood Parish to think inventively about raising money for church. I didn't realise at that stage that the challenge would be thrown back in my face, "*You think you're pretty fit Rev Greg,*" taunted Richard Allan (a GB age grouped tri-athlete might I add!), "*...why don't we do a Lands End to John O Groats cycle – if a few donated £1 a mile that's £1000!*"

"Great idea," thinking most certainly that this was just conjecture and male bravado. But then it happened – somehow we completed it in 7 days from 12th-18th July 2021.

We'd set up a JustGiving page (which is still up and running by the way), and alongside external donations we're very near our goalposts of 10k. We're incredibly grateful to over 90 donors, many of whom are not churchgoers, and especially thankful for slightly irreverent prayers to cope with sore bottoms. Jokes aside, I love that line "*God gives the dignity of causality to our prayers,*" and there were some incredible-providential-prayer-answered moments on our trip. Like the time my tire blew with a shotgun banging sound in a small village in the middle of nowhere, and then lo and behold at just the right time a bloke pops up saying, "*hi chaps, are you okay, I run a bike shop 10 miles away and have my van just here...*" what were the chances! Or there was the time on the A9 just north of Inverness when a black transit van tried to overtake an arctic lorry right in front of us, lost control, its back end swerved out, and in that moment I wouldn't have been surprised if behind the scenes an angel had held up the van to stop it from rolling into us. Suffice to say we're thankful for answered prayer - God is good. And finally, a huge, huge, thanks must be expressed to Ruth Allan our support vehicle who was integral to our completion. She never faltered and again popped up with refreshments in places we hadn't even planned on meeting her, just when we were wilting, like manna from heaven. We were probably burning 7/8000 calories a day, sitting for 10-12hrs a day on a bike, and therefore like cars guzzling fuel, eating whatever was on offer - doughnuts, Cornish pasties, Scottish meat pies, basically anything!

Two final thoughts:

1 – they say despite being ‘uphill’, do Lands End to John O Groats rather than the other way around because you’ll get the prevailing winds assisting you. Sadly, this isn’t always true and we became firm friends with a constant headwind – God was certainly shaping our characters.

2 – if you’re thinking of doing this, bear in mind when farmers do their muck spreading – from Lands End to John O Groats farmers seemed to be spreading in unison, which led to some fairly interesting smells!

Blessings

Faculty Application

The PCC have applied for a faculty to do a minor reordering of St John the Baptist Church interior in the hope that a more adaptable space will enable the church building to be used by worshippers and seekers in a variety of ways for years to come. Please do see the proposal pack hanging in the church porch, and do feel free to let the Diocesan Advisory Council know your views. Their details can also be found on the public notice in the Church porch.

Loxwood Luncheon Club

Following the easing of Government guidelines, we are very pleased to announce that we intend to restart the Loxwood Lunch Club on Monday 27th September.

However, this will be in a slightly different format. Gina and her team have been preparing the monthly lunch for a period of 13 years. The team now think the time is right to bring in a few changes.

Our monthly lunch will be prepared by a professional caterer who will still provide our traditional home cooked two course lunch to include tea and coffee afterwards. Gina and her team will carry on preparing the tables, helping serve the lunch and wait on tables.

Obviously the cost of the lunch will have to increase accordingly. We have been very fortunate in the past to maintain the cost of the lunch at a ridiculously low amount. We foresee the cost of the lunch rising to £5.00 per person. We appreciate this is a large jump, however, we believe this still to be excellent value for money.

As we will be charged per person by the caterer we need to ensure that we know precisely how many people will be attending the lunch each month. To make sure this happens, we will be telephoning everybody three or four days before the lunch to confirm their attendance.

If you would like to continue coming along to our monthly lunch, could you please contact Gina Moore on 751722 or email ginamoore@btopenworld.com

If you know of anybody in the village who you think would enjoy the social aspect of our Lunch, please get them to contact Gina, as we are always happy to welcome new people.

Alfold Luncheon Club

Due to the current situation, there will not be any Alfold Lunch Club until further notice, but we will let you know as soon as we plan to restart.

Exodus 35:35 He has filled them with skill to do all kinds of work, engravers, designers, embroiderers in blue purple and scarlet yarn, and fine linen weavers - all skilled workers and designers.

THE SPINNERS HYMN Thank you Lord for wool so warm, whose fibers, through draft and twist into yarn doth form.

Degree of twist by treadle, wheel and cord, through flyer doth impart, the handle of the yarn, inherent in the fiber from the start.

A multiplicity of the threads together may be plied, the texture of the yarn, according to the wool and doubling twist applied.

The coarser wool with coinciding twist, the harder ply doth twine, the finer wool with opposing twist, the softer doth refine.

Success through harmony of foot and hand, o'er seen by eye, is due alone to thou that giveth life.

For work well done in harmony of mind, the antidote to strife, we thank you Lord. By John Lawton. 1989.

Proposal for a Parish Open Gardens Event in 2022

St Nicholas and St John the Baptist Churches' PCC has agreed to explore the possibility of organising an Open Gardens event to raise funds for the two Churches. Tentative timing is for a weekend in May/June 2022.

In order to determine whether it is feasible we are seeking expressions of interest from anyone willing to consider opening their garden to support this proposal. Some of you will have visited other open garden events such as that held by Wisborough Green village last May, so you will have an idea of what is involved. For those who haven't it is important to say here that gardens *do not* have to be carefully primped and perfect, rather it is better that they have what might be called a 'feeling of place' and are of interest, comfortable and welcoming. Most of our gardens fall into the latter category, expressions of our individual gardening interest and enthusiasm.

To explain what is proposed and explore what may be possible those expressing an interest will be invited to a 'pop up' drinks and snacks in our garden towards the end of August.

If you wish to express an interest in opening your garden please let us know in the near future, with your name and contact details:

Guildford Street Angels – Loving Guildford

Have you ever wondered what Guildford's needs are? Do you fancy being part of the mission to love and care for those more vulnerable?

Following the example in the parable Jesus tells of the Samaritan who comes to the rescue of a lone man who has been beaten and left for dead on the side of the road, the Street Angels are a group of volunteers from all around Guildford, who believe all people deserve care and love in their time of great need. Not to say everyone is left by the side of the road in Guildford, but there are many who end up becoming very vulnerable at night, and having a team of care-givers who provide support, care and assistance to get home safely is vital. Guildford has just reopened fully its leisure and entertainment venues (until around 3am on Friday and Saturday nights), and provision for the homeless is also uncertain, so we know the need will only grow again.

There are many reasons why people become vulnerable, whether through separation, effects of homelessness, intoxication or physical harm – and the Street Angel approach of helping whoever, non-judgementally, underpins all of what we do. I can certainly attest to never having a quiet night over the past 3 years of involvement, whether leading a team or being part of one, and our role on the night is as varied from one night to the next. It is the conversations we have with people that stand out – whether they have specific needs, just want a chat, value some friendly words, or can be encouraged as they work around town or on the doors. Meeting people where they are at, is where we long to be. When I first went out on a taster night, it was promised that I would love the training – they weren't wrong. That period of initial training, which I am now redoing as a 3-yearly update, was instrumental in firming up the call to serve there, but has brought new friendships and really opened my eyes to seeing the world through new perspectives.

For those who long to get involved – there are two easy ways. Firstly – check out the website below, and watch the video to get a taste of what it might look like. If you think this could be you, then sign up to come out on a taster night. Secondly – we value support too; both in prayer, and financial giving to the Guildford Town Centre Chaplaincy, who oversee the work of the Angels. Fundraising and raising the profile are also massive parts of the mission. I can remember jangling a bucket on a street corner or running a leg in the great Guildford pancake day relays on the high street in a set of angel wings – not only great fun, it really builds community feeling too. <https://gtcc.org.uk/street-angels/>

Cranleigh Foodbank - the need has not diminished

Even with the prospect of COVID restrictions being relaxed in the near future, the need for the foodbank still remains.

We are determined to collect regularly at our two churches for Cranleigh Foodbank. In consultation with the foodbank organisers, we have agreed that, as far as possible, we will try to supply the specific items that they currently require.

These are: **Tinned fruit, tinned vegetables, sugar, pasta sauce UHT milk, tinned tomatoes, tea, coffee, jam, desserts , toilet rolls and baby wipes!**

Please consider adding one item for the foodbank to your shopping basket, whether it be online or in person. Just imagine how many items we could collect if everyone reading this article was able to contribute!

A collection box will be available in each Church for donations.

Items collected will be taken to the foodbank on a regular basis.

Press One for Vicar, Two for Curate....Twelve for Prayer

The Revd Dr Gary Bowness continues his tongue-in-cheek letters from ‘

Uncle Eustace’...
The Rectory
St James the Least of All
The Rectory

My dear Nephew Darren

Now you have got your new telephone system in the parish, I shall not be calling you again. I refuse to wait for ten minutes every time I ring to have to listen to the cycle of ‘press 1 for the vicar, 2 for the curate, 3 for the secretary’, until we end with ‘12 for requests for prayer.’ I was tempted to leave a message on 12 to ask that the wretched machine would break down, but then realised I would have to call a second time to leave a message on 13 for making a confession.

And if I have to listen one more time to someone playing ‘Thine be the glory’ on one finger on an electric organ while I am ‘on hold’ I will have him excommunicated. At least you have the grace not to ask me not to hang up, as my call is important to you. I would even warm to your system if a voice occasionally said that they couldn’t care less whether I hung up or not, as my call was utterly irrelevant to them.

Those poor people who have to wait to reach 7 for leaving messages regarding marriages might as well leave a second message on 8 for baptisms, and save on a large phone bill in months to come. As for 9 for funerals, entire families could be born, marry and die before they reach that one. And may I suggest that your car parking attendant who stuck a note on my windscreen telling me not to park there again is given the number 666.

My own answerphone tells people firmly that the machine does not accept incoming messages, and that I only answer personally on Thursdays between 10am and 12 noon, provided nothing better has turned up. Alternatively, they could write me a letter which may (or may not) be answered, at my convenience.

As for the few who have got hold of my mobile number, my response is to say that I am just about to enter a tunnel and then to switch it off. Callers

from other parts of the country now believe that the parish of St James the Least is honeycombed by mile-long tunnels, making communication all but impossible.

You can now be assured that your new system means you will be contactable at any moment, wherever you happen to be. But don't call me to complain and expect to receive sympathy; I shall be just about to enter a tunnel.

Your loving uncle,

Eustace
