# Cushing's Column

Dear Friends,

I've been on quite a few clergy leadership seminars in the past year where often attenders have been asked to summarise how they and their parishes are feeling in one word. For much of the last year I believe the word 'distressed' was most common on such webinars, which is understandable yet sad.

For me, whilst serving this parish during the last few months, and particularly thinking about the church family here, I'd use the words 'flexible' and 'adaptable'. Our church services have gone through constant change, and even with our outdoor services at present we recognise that heavy rain changes our plans, but that's okay, and we're learning more and more how to adapt. Don't get me wrong, I like things neatly ordered and tied with a nice ribbon in a box, but I too am adapting and trusting that all I can do with the future is to do my best and trust that all to God. He Himself says, from the lips of Jesus, "*do not worry about tomorrow, for tomorrow will worry about itself...*" Isn't that practical? And isn't that what we've been learning recently, the back-to-the-basics of taking one day at a time?

With that being said, we plan ahead for what we can plan for, and I know that many of you will be looking forward to meeting up together inside in family homes come 17<sup>th</sup> May. There will be much glee!

One thing we're planning ahead for, with glee, is the arrival of our curate.

Our curate James Hanson, wife Jenny, and daughters Thea and Ella (pictured below) are all set for change. Please do be praying for them as moving home is never easy; I'm sure they'll model the flexibility and adaptability I've seen here in rich supply, and I'm sure we'll all go out of our way to make them feel extra welcome.

Many blessings

**Rev Greg**

## Parish News Subscription - Thank You

Thank you so much to those people who have kindly donated their annual subscription.

The Parish News enables us to be aware of what is taking place within our churches and chapels as well as news of what is happening elsewhere in our villages.

At this time of year, we would normally be calling on our subscribers to ask for a subscription of £5 towards the cost of printing and producing the magazine. At present we are printing many fewer copies of the magazine for delivery, however, there are fixed costs that carry on despite COVID.

Looking forwards, the coming months will see increasing coverage of vaccinations, restrictions reducing and a managed return to a degree of normality. As part of these changes we are hoping to restart delivering magazines. With this in mind, this year we are asking you to consider donating your annual subscription for whichever format you receive.

To enable a donation of the annual subscription please contact Hazel Gravenstede (752080) or Hugh Beadle (752950)

# 'Mighty Oaks from Little Acorns Grow'

## From small beginnings great things can happen!

A milk bottle top! Not very significant on its own, other than, because it is plastic, we should not put it into the dustbin to go into landfill! However, one milk bottle top, joined with hundreds of others can be granulated and then turned into playground slides and garden toys as well as more bottle tops!

However, this is only part of the story. There is an even greater benefit to saving and collecting our plastic milk bottle tops. We can make life better for children who have illnesses that shorten their lives, cancer being just one. A recycling company donates to Chestnut Trees in exchange for these milk bottle tops.

So what is the cost to us? Nothing, other than a small effort to wash the tops clean, removing any foil or rubber inserts and save them. We would ask you to drop your collection off at either of our two churches when passing, or at a Sunday service. Bins for this purpose are available at the back of the church at Loxwood and just inside the door at Alfold. Alternatively, there is a collection box on the doorstep of 5 Farm Close, so drop the tops off en route to the Doctors Surgery or the Pub!

**Please note:**  No other types of plastic tops are acceptable; the recyclers will reject the consignment if it is contaminated with other tops.

### **And now we have a sapling!**

Thanks to all those who have been collecting tops, we have sent a further 10kg for recycling, making a total of 30kg so far. That's the equivalent of over 19,000 bottles of milk!

# **Mighty oaks from little acorns grow: Sprouting Acorns**

## **1. Cranleigh Foodbank**

Prior to the lockdowns of the current COVID regulations, we had been supporting the Cranleigh Foodbank. The need for the foodbank has increased; therefore, we are determined to collect regularly at our two churches for Cranleigh Foodbank. Space for storage of items is limited at the Foodbank, therefore, in consultation with the foodbank organisers, we have agreed that, as far as possible, we will try to supply the specific items that they currently require, which are:

**Tinned fruit, tinned vegetables, sugar, pasta sauce**

**UHT milk, tinned tomatoes, tea, coffee, jam, desserts,  
and baby wipes!**

Please consider adding one item for the foodbank to your shopping basket, whether it be online or in person. Just imagine how many items we could collect if everyone reading this article was able to contribute!

A collection box will be available in each church for donations. Items collected will be taken to the foodbank on a regular basis.

## **Look on the Bright Side .....and Share it with Others**

Where has the past year gone?

Perhaps the feeling is that we would rather forget about what has passed! However, talking to people around the village, it has become obvious that there have been some wonderful and often unexpected positive instances during this pandemic, which have proved to be truly uplifting.

We would love to celebrate and share these positive moments in the Parish News.

If you have something that you would be prepared to share, in no more than three sentences, then please email it to [alflox.parish.off@btinternet.com](mailto:alflox.parish.off@btinternet.com) or drop a written copy at 5, Farm Close, Loxwood, along with your milk bottle tops if you have them! Please include your name and a contact number and say whether or not you would like your name included in the magazine.

# Emmanuel Fellowship

In common with everyone else in the country, we are looking forward so much to be able to resume “normal” service this month and getting back into church – it’s been a long time! So, we will be celebrating the return to the church on Sunday 27th June.

We recognize that lock-downs and restrictions have had serious effects on the well-being of many people in the community and we want to be there to help. So, we are launching two new initiatives —

“Here to Listen” and “Knit and Natter”

## **Here 2 Listen**

**Are you struggling or feeling overwhelmed?**

**Is your mind filled with worry or negative thoughts?**

**Would you like someone to really LISTEN to you?**

- \* We will provide A SAFE space to share whatever is on your mind, without being judged and in total confidentiality
- \* We will give you an opportunity to spend quality time with an empathetic, compassionate and trained volunteer with experienced LISTENING skills, who will not interrupt or attempt to fix your problems
- \* We will create the atmosphere for YOU to find YOUR solutions and so move you from where you do not want to be, to a better and more useful place.

If this is where you are now, then why not call and speak to Lynn on **07873 296186** to make an appointment. This is a free listening service run by non-professional volunteers.

So, **DO SOMETHING DIFFERENT TODAY AND MAKE THAT CALL.**  
We’re ‘Here to LISTEN, when you’re ready to talk!

## **Knit and Natter - Every Thursday Starting 24th June 1pm-4pm**

It does what it says on the can! A very informal meeting in a convivial café-style environment to meet old friends and hopefully make a few more. You don’t even have to bring your knitting (it can be any craft or nothing at all) but do drop in at any time for a chat, cake and a cuppa. The perfect ingredients all wrapped in a warm welcome that awaits you!

# Alfold Parish Council

Alfold Parish Council convened via Zoom on 8<sup>th</sup> April 2021 to discuss current planning applications, Loxley Oil Well, as well as Alfold's Neighbourhood Plan.

Councillors discussed new applications for increasing houses on the current application site at Alfold Garden Centre and motioned to object to it, as it was felt that the application would lead to a significant housing density increase on the site, and the application did not offer anything back to the village in terms of amenity. The Application at the Vintners site was also objected to by Councillors, with concerns about access to the site and a distortion to Waverley Borough Council's Spatial Strategy.

Councillors are also saddened to learn that UKOG have decided to appeal Surrey County Council's decision to refuse the application for experimental oil exploration at High Loxley. Alfold Parish Council have, as a result requested to join Waverley Borough Council as a Rule 6 party and have already submitted evidence.

Furthermore, Councillors discussed the news that Trinity College Cambridge had pulled out of Dunsfold Park. At present, there is no further information but Alfold Parish Councillors have requested discussions with Waverley and Rutland to understand what plans are going forward.

Alfold Parish Council are pleased to note that they have formally adopted the BT phone box at the Rosemary Lane junction with Loxwood Road and would be looking at undertaking repairs in order to make it weatherproof and waterproof. APC believe that it will be an important community asset and are looking forward to asking Alfold what it would like to do with the box – there are many options!

The Clerk also reported that she had been costing grit bins and salt for a number of locations in the village in order for villagers to salt their pavements when we incur colder weather. Villagers would be able to use of the salt in the bins to spread on footpaths and roads to prevent slippage and skidding and to ensure the increased safety of our residents. Updates will occur for the Dunsfold Road footpath in due course too.

As the weather improves, Alfold Parish Council would encourage garden bonfires to be lit in consideration to the neighbouring properties

## Loxwood Luncheon Club

We hope you are all keeping well and safe in these challenging times. Unfortunately for the foreseeable future, we cannot see how we can restart the Lunch Club. Hopefully North Hall will be in a position to reopen following very strict Covid 19 guidelines in the near future, however, due to the nature of the number of people attending and their slightly senior age group, we do not think we could even consider starting up yet.

We will review the situation on a regular basis as we do realise that Lunch Club is an important part of the village social life. As soon as we think it will be safe to run our lunches again we will be in contact with everyone. Best Wishes to all of you and hope to see you all soon.

## Smile Lines

### Neighbourhood Watch

In one small rural village the local vet also led the local Neighbourhood Watch group. Late one night the phone rang, and his wife answered.

An agitated voice inquired, "Is your husband there?"

"He is, but tell me, do you need him as the vet or the Neighbourhood Watch?" the wife asked.

"Both!" was the reply. "We can't get our dog's mouth open, and there's a burglar in it!"

### For sale

An estate agent's board outside a redundant church:

FOR SALE.

Suitable for conversion.

### Friend?

Arriving at church to attend a wedding, a formidable looking lady in a large hat was greeted by the usher. "Are you a friend of the groom?" he ventured.

"Certainly not," she said indignantly. "I'm the bride's mother."

### Out to graze

A group of elderly British tourists were touring Holland by bus. They stopped at a cheese farm where a young guide led them through the process of making cheese from goat's milk. She showed the group a lovely hillside where many goats were grazing.

"These," she explained, "are the older goats put out to pasture when they no longer produce." She then asked, "What do you do in Britain with your old goats?"

A spry old gentleman answered: "They send us on bus tours!"

### Ground

Long ago when men cursed and beat the ground with sticks, it was called witchcraft.

Today, it's called golf.

# On Getting to Church at a Social Distance

*The Rev Dr Gary Bowness his tongue-in-cheek letters from ‘*

*Uncle Eustace’...*

The Rectory

St James the Least of All

My dear Nephew Darren

Since your parishioners mostly live in an area of half a square mile, where their only concern in getting to church is whether to take the underpass, or to risk a dash across the ring road, you may have little understanding of the problems our folk have in travelling our long country lanes to church, especially as we are keeping our social distance from each other.

Several parishioners have decided that they can't possibly share cars even with their own spouses, as in their 15-room homes they have successfully (and in some cases, happily) avoided each other for months. So the lane outside the church has filled up each week with Mercedes nudging Audis, and Land Rovers easing in between Bentleys.

Others arrive on horseback. But they are careless about leaving their horses to graze in the churchyard, and I have had to remind them twice that flowers in memorial vases are not fodder. The horses do help to keep the grass down, but unfortunately our verger now objects to standing outside during Matins, holding the reins of half a dozen horses. He says it is not part of his job description, which only confirms my view that there is entirely too much fuss these days about having job descriptions at all.

Major Crompton's devotion to his new sit-on lawnmower has inspired him to travel to church on it. Since he is unable to uncouple the mowing apparatus, the tarmac on his two-mile drive is acquiring interesting patterns. His drive at two miles per hour along narrow lanes means he arrives leading a procession of cars with drivers given the opportunity to exercise the Christian virtue of patience.

Mrs Pendleton, on the other hand, leads a small but select group from the Mothers' Union who are all keen cyclists. They all arrive on a whoosh of fresh air, their hair in total disarray, but with pink cheeks glowing with health. Nobody in church minds sitting near them, as anyone who can manage to peddle an old three-gear bicycle up the hill to our church is most unlikely to be sickening for anything.

Finally, of course, the majority arrive on foot, having negotiated fields, stiles and assorted cattle on the way. The countryside may well praise God, but one does wish they wouldn't bring quite so much of it into church.

Your loving uncle,

*Eustace*
